Motions Carried:

1. Meeting minutes from the 1/26/15 meeting approved and agreed by all in attendance.
2. Ms. Wipf, Principal of Tanglewood Elementary, presented data regarding the state of the school.
 - a. The school data included both reading and math proficiency scores across all grade levels (K-5).
 - b. Reading proficiency was based on Star Early Literacy/Star results. The data compared a baseline, midyear, and February proficiency percent score. School and district scores were viewed and compared per grade level.
 - c. According to February scores, 53% of the bottom twenty-five percent of students have made learning gains. Tanglewood's SIP states that 61% of the bottom twenty-five percent of students need to make learning gains in the 2014-2015 school year.
 - d. Math proficiency scores were compared per grade level and to district-wide proficiency.
3. Meg Middaugh presented information from the 3/18/15 DAC meeting. The DAC meeting's focus was the BYOD device initiative including budgeting issues tied to this directive.
