~Winston S. Churchill

Welcome back to the April Edition of the TWES News. I want to thank our PTA Auction Committee and parents, TWES staff members and community leaders who supported our annual school auction at the Alliance for the Arts on April 9th!! This year the committee members were raising funds for the new playground by Building 10 and were able to surpass their goal!! This year the committee was able to raise over \$35,000 for TWES!! Thank You!! Thank you!! We hope all families will attend their child’s Student Led Conferences on Thursday, April 14th from 5-7 PM. Our Spring Book Fair will also be open for you to purchase summer reading books for your child. We look forward to a wonderful closing to the 2015-2016 school year. Library Notes from Mrs. Gindele

April 2016 - National Library Month

Tanglewood Elementary considers family involvement essential to any child's success as a reader. Research has shown that by talking, singing and reading to children, parents are turning on brain cells that are crucial for the development of a healthy, whole child. Parents actually build reading skills by interacting verbally with their children. By encouraging babies and young children to communicate, parents are laying the foundation for later reading success.

Do your children see you read? An alarming statistic – 25% of adults did not read one single book last year! Not one “real” book, not one on a digital device - none! Having our children see us read, reading to them, encouraging them to read on their own – these are the most important things a parent can do to help ensure future success.

Reading is essential! It influences your child's ability to succeed and achieve in all areas of their life. Reading is fun! - - providing an escape, a way to explore and experience our wide world, and it is entertaining to both young and old.

April is **National Library Month!** Our scholars choose what they read, as the foundation of the AR program. The library is both the ultimate backstage pass and the rabbit hole we can follow Alice down. The library is not just the House of Knowledge. It is the House of Dreams. Let's celebrate by reading!

Spring Book Fair! The location has changed from the Media Center to the Multi-Purpose Room – just for this one time. Dates are **April 11 – 15, 2016**

Counseling Corner

April:

School Counselor Theme for April 2016: This month TWES students are focusing on **Integrity**. It's one of those words that kids have heard before but really don't understand. Explain that **Integrity means doing the right thing even when no one else is watching.**

Character grows over time through guidance, influence, and modeling of parents, family members, teachers and peers. Remind students of situations in which they displayed **honesty, fairness and courage.**

Habit #6: Synergize

Mind(s) and Behaviors for College- and Career- Readiness:

Mindset:

Sense of belonging in the school environment.

“I CAN” Behavior Standards:

Goal 1 – Self-Management: Demonstrate ability to accept responsibility

Goal 2 – Learning: Gather evidence and consider multiple perspectives to make informed decisions.

Goal 3 – Social Skills: Create positive and supportive relationships with other students.
